Support

NSMU is a truly multicultural university, home to around 200 international students from the world. To meet the specific needs of our international students the University has a dedicated team providing a wide range of services. Support and guidance begins in your home country with services including pre-departure briefings and an arrival guide. Ongoing support is provided throughout your time at Nanchong whether you're seeking advice about immigration, looking to further develop your academic Chinese, or you want to spend some free time exploring China.
